P290™

THE P290 SUB-COMPACT 9MM, is our newest and most innovative and versatile polymer pistol. Designed to be the ultimate in conceal carry. This unique 9mm pistol is the perfect small defense handgun that meets the demands of today's law enforcement professionals as a backup duty gun, and responsible citizens as a conceal carry gun. The removable grip plates allow for customization with aluminum, wood, and polymer and can be engraved with your initials for a true customized pistol (coming soon).

Optional Laser module

Removable grip plates, allow for customized replacement grips
